This permit is granted **subject to** the following **CONDITIONS:**

NOTICE OF CONTROL DATES: The permittee or their agent must notify the DNR of the planned treatment date(s) at least 48 hours prior to treatment. Failure to notify prior to beginning work or violation of other terms and conditions of this permit, including failure to remove signs in a timely manner, shall be grounds for revocation of this permit or refusal to renew. Notify: Christine Jurek, Christine.Jurek@state.mn.us, 320-223-7847 or submit a new treatment notification through MPARS.

ANNUAL SURVEY: The permittee or their agent must complete an annual survey indicating the actual treatment dates no later than December 31st. The survey will be sent to you in the fall.

ENFORCEMENT: Impacts to aquatic plants outside permitted area or without valid permit will result in enforcement action.

Conditions (Continued):

CONTROL EFFECTIVENESS: The Minnesota Department of Natural Resources does not vouch for the effectiveness of any control method or operation nor does it stand as arbiter whether or not any such method or operation has been satisfactory. This permit is permissive only and no liability shall be incurred by the State or by any of its offices, agents, or employees by reason of the issuance of it or by reasons of acts or operations of the permittee. The permittee shall be solely responsible for any damage or injury to persons, domestic or wild animals, waters, or property, real or personal of any kind, resulting from the permittee's acts or operations, and at all times the State of Minnesota, its officers, agents, and employees, shall be held harmless from any liability for such damage or injury.

PERMIT EXPIRATION: This permit is only valid until the expiration date listed at top of the permit and must be renewed if you want to continue plant control in future years.

VALID FOR CONSENTING PROPERTIES ONLY: This permit is valid for treatment adjacent to properties that have provided consent only. Permittee must stay 150 feet away from properties that did not consent. Failure to notify the DNR of all property owners who have not provided consent for near-shore treatment may result in termination of your permit. Written signatures or signature waiver documentation must be received by DNR before treatment can begin and provided to contractor.
