

GLID Board Minutes: April 14, 2007

Board Members Present: Dave Dancik, Bob Duncan, Jim McLaughlin, Ken Murray, Barb Prince, Kevin O'Keef

Board Members Absent: Larry Kohout, Mitch Nelson, 1 open position

Location: Waynett Town Hall

Meeting called to order at 9 AM by Jim McLaughlin

A. Weeds

- a. We have \$6,000 in the budget unspent
- b. The permit process will be the same:
 - i. The GLID will get the permit for all home owners, \$650 in 2006 which was not spend because the DNR would no allow any activity
 - ii. Every home owner will need to fill out a permit and return to their area captain

Area Captains for 2006

Name	Area	Phone	email
Dave Dancik	Area Lot No.1: 337 th off Nacre	763.389.1999	david.dancik@heidelberg.com

Mike Gibbs	Torell Shore: 35 th and Rhinestone	763.389.4046	

B. Members up for renewal

- a. Jim M. – will accept nomination again but does not want to be president.
- b. Probably Kevin N as well plus we still have one open position.

C. Website

- a. Web site is being built by Tom Jensen
- b. Bob Duncan presented bills for \$75 with covers new URL name: GREENLAKEIDMN and \$100 for the down payment on the build.

Motion: It was moved to accept the bills and pay Bob Duncan for the expenses to date>
Made by Barb, Second by Ken – Approved

Motion: It was moved to pay for the hosting which will be \$67 for two years and to pay the remainder of the fee which is \$300 to Tom Jensen upon completion.
Made: Ken M, Second Kevin Approved

D. Lake Plan

- a. Ed Fieler continues to do work for us which is being paid by the foundation grant.
- b. He is obtaining public information and is putting together in a plan what we have provided so far.
- c. Jim M. went to a meeting in late 2006. Nothing new but we will get some foundation money again this year to do water testing.

E. Secchi Dish Readings - 2006

- a. 2006 were the worst in 7 years
4 feet average for the year
7 feet – worst BEST
2.5 feet – lowest in 7 years

F. Lab Results – 2006

- a. Input streams were very consistent with prior years
- b. Center of the lake results were much worse – chlorophyll higher, prosperous higher
- c. These are all consistent with lower Secchi dish readings and puts us in the lower end of the central hardwood forest lake region for pollution

G. Budget

- a. We did not spend any money for weeds in 2006
- b. Insurance was \$2000
- c. We typically ask for \$3,000 each year
- d. We did not ask for any money in the last annual meeting but should plan to replenish this year if needed.

H. Newsletter

- a. Calendar, weed captains, weed control process

Notes: Indians still own the fishing rights to Green Lake although the last time it was tested there were not enough to warrant a harvest.

Note: Zoning – Jim M. has become more involved. To date, the county has not turned down a variance to date. Homes are being built on substandard lot sizes and with less than standard setbacks from the lake shoreline. Only seem interested in the ability to get taxes

Adjourned at 10:30 AM

Next meeting to be held on May 12 at the Town Hall
