Meeting called to order at 7:30 PM by Bob Duncan

1. Preparation for the annual meeting;
  - a. Budget – reviewed proposed budget. There will not need to be an assessment upcoming.
  - b. Water Quality - no significant change. Bad secchi readings in May and June
  - c. TMDL – will be moved up to 2013
  - d. Lake Management Plan – will discuss progress and results of the vision session.
  - e. Isanti County Water Plan update – Green Lake is definitely in the plan but the plan has not teeth as there are no funds.
  - f. Weed Survey results review
  - g. 2013 Herbicide Process – need to move initial mailings up to Oct./Nov. each year so that those who wish to participate are in by December.
    - i. Add a sign up on the website
  - h. Provide an update on the Wyanett Creek restoration project
2. Rum River Project
  - a. Bonnie Flarity spent a day looking at Green Lake and its water shed.
  - b. Showed her what has happened on Wyanett Creek.
3. Ken Murray
  - a. Ken’s grandfather gave some land as a public access to the lake on the west side.
  - b. Access is overgrown with trees and is no longer traveled; however, Ken wants to be sure that the land is not annexed by any nearby landowner.
  - c. Ken is going to take the information to a lawyer to be sure it is written up correctly and is part of public records.
4. We had discussed becoming a nonprofit at one point but have not followed up
  - a. Can this be revisited?
  - b. There are opportunities as a nonprofit to get endowments, essentially having funds left in wills to be used for lake improvement.
5. Next meeting July 21<sup>st</sup>, at 9:30 AM,
  - a. Annual Meeting
6. Meeting adjourned at 8:30 PM
